

Leaders of Today & Tomorrow

Making a difference in ourselves, our families, our work, our communities and our world

Leaders of Today and Tomorrow is a highly interactive leadership development process integrating best practices in assessment, coaching, collaboration, teamwork, skill-building, and action-learning. Participants learn and practice leadership competencies while tackling real challenges. Together, participants begin to experience and build a high-performance culture characterized by collaboration, innovation, continuous learning and the entrepreneurial spirit.

Development

- Participants learn and practice key success habits, master the fundamentals of leadership, become leaders of their own lives, and learn how to not only survive, but thrive in a constantly changing world.

Engagement

- Participants are engaged and motivated to perform at their peak performance. They use practical tools and strategies to define their success and take ownership of what they need to do to actually accomplish goals and fulfill their dreams.

Total Well-Being

- Participants practice new leadership habits to attain overall success, prosperity and total well-being in every aspect of life – at work, at home, in the classroom, in the community and in everything they do.

How it works...

Participants bring to each leadership lab...

- Personal & professional goals
- Wants, interests and needs
- Challenges, obstacles, change
- Stressful situations and events
- Work and family concerns
- Accomplishments
- Success stories

During each Leadership Lab participants...

Leadership Laboratory

- Reflect on life events
- Assess strengths & weaknesses
- Discover opportunities
- Learn and practice new skills
- Engage in radical collaboration
- Coach and be coached
- Develop Action Plans

After each Leadership Lab participants apply what they've learned to...

- Overcome obstacles
- Deal with change and challenge
- Seize new opportunities
- Achieve & exceed goals
- Define and achieve success
- Enjoy Total Well-Being
- Experience Happiness

Real Life

Between each Leadership Lab participants engage in...
1-on-1 Coaching and Action Learning Projects
